

EXPRESSION OF INTEREST AIE

Tattarang, is one of Australia's largest private investment groups and is owned by the Forrest family. Our investment portfolio spans across agri-food, energy, resources, property, hospitality, sport and entertainment. The group is made up of six business divisions: Fiveight, Harvest Road, SFM Marine, Squadron Energy, Wyloo Metals and Z1Z. We believe in investing for growth and pursue opportunities in both the listed and unlisted space with a long-term investment horizon.

Squadron Energy is our Australian resources company focused on projects in natural resources and renewable energy. Squadron Energy looks to invest in initiatives, research, technologies and projects that will support and accelerate the transition to a low carbon economy.

About the Project

AIE, part of Squadron Energy Group, is also accelerating the associated development of a dual fuel – LNG – Hydrogen 800MW power station in the Illawarra to be initially fuelled by gas from the PKGT. The design provides for large scale dispatchable power and the ability to transition to hydrogen fuel as Fortescue Metals Group and other hydrogen suppliers bring industry-scale production online.

The PKGT is strategically located in an existing industrial port located a short distance (13km) from the existing Eastern Gas Pipeline (EGP) which provides a major natural gas arterial between Victoria and NSW. With construction forecasted to take 18-20 months, putting the project on track to supply more than 75 per cent of NSW's gas needs by the end of 2022.

About the opportunities

Over the next 3 months we will be ramping up to ensure we are able to deliver the gas terminal project on time and within budget, to do this we are seeking expressions of interest for the following positions:

- Engineering & Operations Readiness Manager
- Site Safety Superintendent
